Planning for Fall 2020

1

IN-PERSON WITH HEALTH & SAFETY MEASURES

First Priority. We will plan to reopen in-person with increased protocols in line with guidance from the state.

2

HYBRID OF IN-PERSON AND VIRTUAL LEARNING

In the event that guidelines shift, we will be prepared to operate at reduced capacity with a blend of in-person and remote learning.

3

REMOTE LEARNING PLAN

We will also create a comprehensive plan for remote learning, based on feedback and best practices learned from this past year, should we need to pivot.

Our priorities as we plan

**Health and safety for
our all of our students,
families, and staff
members**

**Academic achievement
with individualized
support for all of our
students**

**The social-emotional
well being of our
students, families, and
staff members**

Large Classrooms • Small Class Sizes • Dedicated Teachers • Close-knit Community

How can our families help during this initial planning phase?

We are asking for support from families to give us initial feedback for planning through a survey which will be emailed to you. This will be the first of many ways we will ask for your input throughout the planning process.

This initial survey is short and non-binding. We do ask that you give thoughtful consideration to the questions, and feel comfortable answering honestly.

***TOGETHER, WE WILL MOVE FORWARD
STRONGLY AND SAFELY!***

Saint Agnes, Pray for Us!

Thank you!
